1. Make sure you use 1, 2, or 4 colors

* PLEASE NOTE! If using PMS colors you can ONLY submit a PDF created using Distiller 6 or greater. Distiller 5 and below do not maintain PMS colors. You must submit your native file if you do not have Distiller 6 or greater.

Bleed must extend to outer green lines. ie. anything touching the black trim line should extend to bleed.

Set Type Inside blue Lines so it won't get cut off.

Documents will be cut down to the black trim line.
