

PLEASE delete of our template text before submitting your files.

1. Make sure all colors for the front are in CMYK format
2. All colors for the back should be in grayscale unless you are doing full color 2 sided cards.

Bleed must extend to outer green lines. ie. anything touching the black trim line should extend to bleed.

Set Type Inside blue Lines so it won't get cut off.

Cards will be cut down to the black trim line.
